

COASTLINE METAL FINISHING CORPORATION
7061 Patterson Drive, Garden Grove, California 92841
(714) 895-9099 • FAX: (714) 895-4728

May 23, 2006

To Whom It May Concern:

Over more than twenty years, I have been associated with Bruce Klingler as a customer of his laboratory services and his consulting services. I have found his knowledge of metal finishing processes to be outstanding and his advice has saved me considerable time and money when he has acted as my consultant. It is with this background that I most highly recommend Bruce and 1st Choice Consulting .

Sincerely,

Allen Fowler 2nd Vice-President Facilities and
Engineering
